

Endless™ Pools

MODULAR COLLECTION

The Endless Pools Difference

A SMARTER, MORE VERSATILE WAY TO LIVE WELL

Designed with your goals in mind, Endless Pools strives to provide the best experiences, the highest quality, and the latest technology with products that transcend the idea of what home fitness and fun can be.

FUN & FITNESS LIKE YOU'VE NEVER EXPERIENCED

Swim, splash, relax, recover – all year round, in your convenient and compact Endless Pool. The possibilities for exercise, family fun, and entertaining, are limited only by your imagination.

UPGRADE YOUR HOME & YOUR HEALTH

You weigh your home and lifestyle investments with care, and Endless Pools provides exceptional value for both, with products that exceed your expectations for value, versatility, and ease of use.

GO-ANYWHERE POOLS TO SUIT YOUR STYLE!

Our smart-sized pools are designed to enhance nearly any space in your home, indoors or outdoors. Their unique, modular design makes installation a breeze, even in small, hard-to-reach areas where you never imagined a pool could go.

Modular Pools

Your Pool, Your Way!

ENDLESS POOLS MAKES IT POSSIBLE

Our modular pools blend flexibility, practicality, and innovation to provide fun, fitness, and relaxation in a compact space. Engineered with smart-sized components that can be easily maneuvered, these unique pools install just about anywhere, indoors or out. Seamlessly integrate them into your home and decor or choose our stylish finishes to complement your design.

With over 35 years of innovation, Endless Pools is the established leader for swim-in-place and aquatic exercise technology. The Hydrodrive™ current, our most advanced technology, provides more ways to enjoy your modular Endless Pool, with a smooth and adjustable current to power swimming, fitness, recovery, and fun. And, modular Endless Pools can be personalized with a variety of lifestyle, fitness, and convenience accessories, so you can focus on enjoying your pool with clear, heated warm water and worry-free maintenance, any time day or night.

Whether you choose a current for exercise and play, or prefer a simple plunge pool for relaxation and aqua therapy, modular Endless Pools provide year-round enjoyment to fit any need and budget.

Hydrodrive™ Technology

A LEGACY OF INNOVATION

In 1988, Endless Pools developed Hydrodrive™ Technology, launching the swim-in-place movement. Hydrodrive generates a current that's remarkably smooth, wide, and fully adjustable, creating low-impact resistance for continuous swimming, and more effective options for training, therapy, and family fun.

ORIGINAL POOL WITH HYDRODRIVE™

Engineered to provide the smoothest current with minimal turbulence and suited for all levels of swim and fitness.

STANDARD SIZE: 14' L x 7' W water area and 42" water depth /
426 cm L x 213 cm W water area and 100 cm water depth
Custom sizes available

MAX. PACE: 1:14/100 m (1:08/100 yd)

PERFORMANCE POOL WITH HYDRODRIVE™ PLUS

Our most popular pool upgrade. It delivers a smoother, wider, deeper, and more powerful current that's ideal for more serious training.

STANDARD SIZE: 14' L x 7' W water area and 42" water depth /
426 cm L x 213 cm W water area and 100 cm water depth
Custom sizes available

MAX. PACE: 1:11/100 m (1:05/100 yd)

ELITE POOL WITH HYDRODRIVE™ PRO

With nearly twice the output volume, it is our fastest, most powerful option and the top choice of competitive athletes and swimmers.

STANDARD SIZE: 14' L x 8' W water area and 42" water depth /
427 cm L x 244 cm W water area and 100 cm water depth
Custom sizes available

MAX. PACE: 0:56/100 m (0:51/100 yd)

i With the exception of our Streamline Pool, the outside dimensions of modular pools vary based on finishing options and selected accessories. Please contact an Endless Pools Product Specialist for complete details on space requirements for your specific installation.

Streamline® Technology

FEATURES STREAMLINE JETTED CURRENT

Our Streamline Technology was designed to generate a smooth, airless current at a budget-friendly price. Our low-maintenance Streamline Pool includes an integrated cover, 4,000W/230v electric heater, and everything you need for fitness, fun, and aqua-therapy in a compact space.

STREAMLINE POOL

ONE SIZE AVAILABLE: 11' L x 5' W water area and 45" water depth / 335 cm L x 152 cm W water area and 114 cm water depth
